

## Spa Anjali: Where Nature Nurtures

Vail Valley's First "Green" Spa Offers Healing Mountain Traditions in an Exceptional Setting

Avon, Colo. – Spa Anjali at The Westin Riverfront Resort & Spa - Vail Valley's newest luxury resort - is designed to share the numerous benefits of the energizing mountain lifestyle with guests, bringing the peaceful healing environment of bright natural light and the soothing Eagle River to the spa experience.

The 23,000-square-foot Spa Anjali is a complete wellness and fitness center with 14 unique treatment rooms and a full-service salon, extensive fitness equipment, a lap pool and Spin, Pilates and yoga studios.

Spa Anjali is proud to be one of Colorado's first eco-friendly spas. Respect for the environment was taken into consideration in every step of the spa's design - from the use of environmentally-friendly construction materials to the choice of product lines and treatment programs. Even the spa linens, towels and guest robes are made from organic bamboo and muslin. The Westin Riverfront expects to become Colorado's first high-end resort to achieve the Leadership in Energy and Environmental Design (LEED) certification from the U.S. Green Building Council in early 2009.

Spa Anjali is also proud to announce that it was recently named a member of the Starwood Spa Collection, a premier ensemble of almost 60 exclusive spas located around the world.

Highlights of Spa Anjali include:

- Signature spa treatments inspired by healing traditions from the mountains, specifically the Rockies, Alps and Himalayas
- Unique services include the Red Clover and Mountain Honey Body Mask, the Riverstone Massage, the Dream Catcher Herbal Wrap, the Ayurvedic Neem Healing Facial and the Himalayan Journey to Serenity
- The use of environmentally-friendly products, including Amala Beauty, a certified organic skin care line, Anakiri, a BioEnergetic skin care line, and the vegan SpaRituals Nail Care line
- Year-round outdoor programming, including yoga and Pilates classes, riverside meditation, nature hikes and guided snow shoe outings
- Designed by Skidmore Owings & Merrill, visitors to Spa Anjali travel through the four classic elements of Earth, Water, Fire and Air
- Phase Two of Spa Anjali, to be completed mid-2009, will include an on-site chiropractor, acupuncturist and nutritionist, plus an ongoing wellness programming addressing personal development, healthy living and mind-body healing
